

Reaching out to those in need . . .

Life gets hard. Relationships are incredibly complex. Losses can be devastating. Circumstances often feel overwhelming.

Where do we turn when difficulties occur? We have our faith. We have family and friends. But there are times when professional help may be needed to develop the skills and perspective necessary to bring life back into focus.

iMPACT Church Counseling Ministry exists to provide such assistance by making licensed counselors available to the community. We offer support and expertise for a variety of personal/emotional issues in a caring and confidential atmosphere.

*Now glory be to God who
by His mighty power at
work within us is able to
do far more than we
would ever dare to ask or
even dream of —
infinitely beyond our
highest prayers, desires,
thoughts or hopes.*
